\$4.85 10 labels min. purchase

Trans-Tasman and International Freight
Sending overseas? For more information on our Trans-Tasman and International service, email international@fastway.co.nz

- Labelling your parcel:**
- Find your destination on the map and identify the coloured zone
 - Refer to the parcel ruler above and apply relevant labels based on your parcel weight
 - Refer to the respective coloured zone tables for label rates

- Transit times:**
- | | |
|----------------------------------|---------------------------|
| Local delivery - Same day | Within Island - 1 day |
| Inner shorthaul delivery - 1 day | Inter Island - 2 days |
| Outer shorthaul delivery - 1 day | Rural - Additional 2 days |

Weigh, label & send your parcel

Your parcel delivery is calculated on the cubic weight (size) or the actual weight – whichever is greater.

- Convert measurements to metres
- Example:** if a parcel is:
- | |
|----------------------|
| Height: 80cm > 0.8m |
| Width: 50cm > 0.5m |
| Length: 15cm > 0.15m |
- Multiply the height x width x length x cubic conversion (200) = cubic weight
- Example:** 0.8 x 0.5 x 0.15 x 200 = 12kg
- So if the actual weight is 5kg and the cubic weight is 12kg – the greater weight of 12kg is used to select the label/s.

Maps not to scale.
* Minimum purchase requirements apply. Base rate only. Does not include any additional fuel surcharges if applicable. Visit fastway.co.nz for details.
Estimated transit times in working days.
¹ Local satchels available for delivery in the Pink Zone only
¹ Rural destinations determined by Fastway Couriers. This is additional to the standard base label.
Prices exclude GST. Effective as at 1 July 2017
